President's Report

A few words from your President....

Happy new year everyone! I hope everyone had a lovely Christmas and managed catch ups with family and friends. I had a lovely time away in Malaysia and saw friends and family whom I've not seen in 4 years. The highlight for me was to spend the holidays with the grandkids, and what a joyous time it was!

We had a busy December as instructors prepared and organised last classes, socials and break ups. There was something on every weekend which kept us all busy. We don't say this enough but thank you to all the instructors who work tirelessly, preparing and running classes and ensuring we all have an enjoyable couple of hours, a few times a week. Hope you all had a wonderful break, rested well, and look forward to the year ahead. The VLDA calendar certainly looks busy and like you, I look forward to lots of dancing and attending the many events to be held. We will be kicking off the year with Portarlington to be held over the Labour Day long weekend.

Congratulations to Pauline Greenwood for running the United charity event in support of the Cancer Council and raising over \$11,000! There are many instructors who fund-raise for a worthy cause, and we thank you for your efforts. Special mention must be made to thank those who attend and support these events. Without you, this would not be possible.

On that note, may 2023 be a fun year for us all with good health and happiness sprinkled in the midst. I look forward to seeing you on the dance floor soon!

Take care everyone.

Sumi Sivalingam

VLDA President
