President's Report

A few words from our President,

(It's a bumper report, grab a cuppa!)

As we gear up for a whirlwind of events — Portarlinton, Good Friday, and the Ball — let me share some highlights from our recent committee meeting, networking, and workshop held in Yarraville. It's heartening to witness the strong support from our members at these events. A special thanks to the instructors who generously volunteer their time to teach dances. Also, a special thanks to the dedicated committee members who volunteer their time to run this event. To those who haven't attended lately, I urge you to join us for fun day of networking and catching up with everyone.

Portarlinton is less than three weeks away and I'm sure everyone is really excited for this. Regrettably, I won't be able to join this year due to a prior commitment, but rest assured, our hard-working committee has everything under control for a seamless and fun event. Doors open between 3.30pm and 5pm on the Friday if you wish to purchase your weekend passes. Matt will be there with the Eftpos machine, or you can pay cash, but please bring exact amounts if you can. More details are in the flyer and on our Facebook page.

In late March, we're back at St John's Durkin Hall in Mitcham for the Good Friday Line Dance Marathon. Contact Sumi Sivalingam at 0432 515 090 to reserve your table if you haven't already. We'll have hot cross buns and tea & coffee available, so BYO your cup/mug and snacks for your table/s. Find all event details in the newsletter and on Facebook.

Looking ahead, mark your calendars for the VLDA annual Gala Ball in June—more details coming in April's newsletter. Amidst the excitement, let's not forget to support local and interstate socials and events whenever possible.

Lastly, a gentle reminder about dance floor etiquette. Let's cherish and respect the space we share with fellow dancers, ensuring smooth transitions on and off the floor.

See you on the dance floor!

Adrian Lefebour
VLDA President
