President's Report

A few words from your President....

My last newsletter for the year! Where has the time gone...in between work and running classes, the year has simply flown and there's the usual mad scramble for Christmas shopping! I'm looking forward to a warmer Christmas as I head back to Malaysia and catch up with family whom I haven't seen in 4 years.

Classes are slowly starting to wind down and instructors are getting ready for their annual Christmas socials. As the year ends, let's all put our hands together and give our hard-working instructors a thunderous applause for all the hard work, time and effort that goes on behind the scenes to run the weekly classes and socials, and say a big thank you!

I recently attended the Dance Fusion event held at the Gold Coast and it was lovely catching up with old friends and making new ones. The workshops and socials were well attended and the atmosphere was one of happiness and excitement. I'm also looking forward to 2023 and the many events that have been lined up already. Of course, first on the list will be Portarlington to be held over the Labour Day long weekend, so grab your friends and come along for a fun-filled weekend. Make sure to book your accommodations as well.

If you're attending an event, please send your photos to our Newsletter Editor Diane Turnbull so that we too can enjoy what's been happening in your classes.

As we head into December, I would like to take the opportunity to wish everyone a very Merry Christmas and a wonderful New Year. Safe travels, take care and have a wonderful time with your beloved family and friends.

Take care everyone.

Sumi Sivalingam

VLDA President
